

## ***Technical Rider – Yaron Herman Solo***

### **PIANO (Yaron Herman)**

One (1) optimally prepared and conditioned nine foot (9') STEINWAY CONCERT D GRAND PIANO tuned to A442 pitch prior to sound check and thereafter. THESE TUNINGS ARE ESSENTIAL TO THE PERFORMANCE. The serial number of the piano must be superior to 530 000.

The quality and condition of the piano must meet ARTIST'S standards as verified by the ARTIST. Piano tuner shall be present at sound check. To obtain the number of a local dealer call Irene Wlodarsky at 212 332 0129 in the US or In Europe call Ulrich Adam at +49 40 85 39 11 48.

**There must be an adjustable piano bench.**

### **STAGE PLOT:**

The piano will be center of stage, as close as possible to the audience. No other instruments allowed on stage.

### **LIGHTS**

The lights must be focused on the piano, and there will be absolutely no shades on the keyboard. Once a nice and warm ambiance is set, there will be no change in the lights during the songs.

### **MICROPHONES :**

Piano mics: 3 AKG 414 UBSL +1 wireless microphone for announcement.

### **MONITORS :**

1 monitor on the left of the piano.

### **IMPORTANT NOTES**

2 small bottles of plain water will be on the left of the piano and one small black towel will be inside the piano. The music desk has to be removed for the performance.
